About the Carriage House Café & Bakery

Come enjoy a delicious piece of Boston’s North End in the suburbs! At the Carriage House, we pride ourselves on being a “scratch kitchen” where we avoid processed ingredients and make everything ourselves, including our own dough, soups and sauces, Specialty salads, house-made sicilian pizza and calzones and daily Specialty Sandwiches We also emphasize locally sourced ingredients to ensure that our food is the absolute freshest and most flavorful possible.

At the Carriage House (carriagehousecafebakery.com) we feature 3rd-generation recipes handed down from Dana’s grandfather’s bakery, Prince Pastry, in the North End and 2nd generation recipes from her father's restaurant Luigi's, in downtown Boston. We also have a full catering service where we create spectacular meals that are noted for their incredible flavors and textures, artful presentations and elegant but approachable style.
